LIVESTOCK OWNER CERTIFICATE 2022

The undersigned certifies that, to the best of his/her/its knowledge, none of the livestock described herein are adulterated within the meaning of the Federal Food, Drug, and Cosmetic Act (*i.e.*, none of the cattle or other ruminants have been fed any feed containing protein derived from mammalian tissues, *e.g.* meat and bone meal, not in compliance with 21 CFR 589.2000 and none of the livestock have an illegal or volatile level of drug residues; that all cattle shipped to National Beef have met or exceeded the recommended withdrawal time for any/all drugs/antibiotics/etc. that may have been administered). Supplier agrees to use good judgement and discretion in regards to the judicious use of medically important drugs. In addition, all cattle marketed to National Beef are grain fed and from a feed yard/location that has at least one key management person on staff that is BQA certified.
